The Sound of a Thousand Leaves

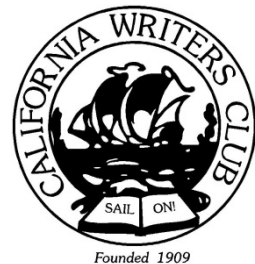

Authored by Redwood Writers
Edited by Cynthia Helen Beecher

Vintage Voices:
The Sound of a Thousand Leaves

An anthology by members of Redwood Writers, these collected stories, essays, and poems reveal our human connection through common experiences, a connection that rises from the page and touches the reader's consciousness.

Over 65 works represent the whimsical, alarming, funny, and sincere elements of life. Like leaves tumbling down, spent from deep roots, these stories and poems resonate with beauty and startling moments of life.
