

Redwood Writers 2014 Anthology: Water

**Authored by
Redwood Writers**

**Edited by
Jeanne Miller**

The basis of all living organisms, water's vital role is indisputable. Deeply connected to our humanity, in abundance or scarcity, water possesses the power to sustain life, to end life. From the literal to the abstract, water evokes imagery and emotion, movement and flow. This anthology is a diverse collection of fiction, poetry, essay and memoir created solely by the members of Redwood Writers.
